The Model A is a frame off restoration and will be an operating vehicle to be used in parades etc. The second vehicle is a 1927 Overland Whippet this vehicle was restored in the early 2000's at the Saskatoon Museum and they are currently refurbishing it. It will also be an operating vehicle.

Peter and Marge Roach

Patrick and Joanne McMahon

M47 1950 Mercury Truck

Bernie Niska

Bernie Niska has the following vehicles:

Two-1966 Pontiac GTO Convertibles, 1961 Oldsmobile Starfire Convertible, 1976 Pontiac Grand Prix Coup, 1934 Pontiac Roadster, 1940 GMC Pickup

\*Reminder to guests that after two meetings people are encouraged to join. Dave has membership packages which contain application form and an introduction letter.

SAAC members are encouraged to purchase a WDM membership as part of our commitment to the WDM and the services it provides to the club. SAAC members receive a 10 % discount on the membership fees.

Garage Tours for 2024: Hosting or ideas for garage tour, please talk to Lloyd Morgan to organize.

There was a good turn out for the Marty Nicholas Memorial held at the Nutana Legion Hall on July 12<sup>th</sup>  
Marty will be dearly missed by his family and friends. He was a great car club member.

Rock 102 Show and Shine on Sunday July 18th was its usual hit. Good showing from our club. Unfortunate that stunting in the Co-Op parking lot was an issue for the police and general public on the night before.

Reminder: Only a few Swap Meet booths remaining. If a member wants a booth(s), it is best to get your name on it right away. Contact: Contact Al Willms, Dave Brock or Norm Mowles. Members still get the old price at \$25/per booth. Only 27 stalls remaining.

## New Business:

The Sask PolyTech Bursaries are due for 2024. One Bursary for \$1200 is awarded to a deserving Automotive Technician Student, another Bursary for \$1200 is awarded to a deserving Autobody Technician Student. One cheque is written from the club's general account, the other from the Swap meet account. Total contribution to Sask PolyTech from our club is \$2400
