OLD BUSINESS

Fred Remillard gave a report on the International Auto Meet held in Calgary. This was the last International Auto Meet.

Members of the executive will be having a meeting with Joan Kanigan, CEO and Jason Wall, General Manager of the WDM on Thursday August 25th. There are areas that still need some clarity such as insurance, fundraising, and volunteer support. We will present the updated WDM Affiliate Membership proposal and a proposal from the Saskatchewan Air Museum with the hopes of choosing the right meeting solution for the club at the next meeting.

A few of our members attended the Prairie Nights Music Festival. It was a very enjoyable event.

The Wheatland Express Train Ride was attended by 20 members. It was a very nice day starting with breakfast at Fuddruckers for some members. We then cruised to Wakaw. At Wakaw we started out with a tour of their boom town display followed by a train ride to Cudworth which took approximately 45 minutes at a blazing 12 mph. It was nice to watch the prairie at a close distance. At Cudworth we toured the museum and some merchants. Back on the train for the trip back to Wakaw. It was a very enjoyable afternoon.

Cars and Guitars car show had about 45 cars in attendance.

Cruise Weekend was a success. Many of our members participated in show and shines throughout the city starting with Friday night at Market Mall, Saturday at Rod's Hot Rod's, Rolling Steel and other locations. The Saturday night cruise down 8th street was a gong show. Sunday was a beautiful day. We had 24 cars on display. There was a great turn out for this event.

NEW BUSINESS

We passed around the club roster to ensure it is current. Please review and change or add information where needed. Rob will update and then the updated version will be circulated.

Janet Dawe wants to donate a collection of hard covered books to our library. Moved by Ken Johnston that we accept this donation. Second Al Willms carried.

Norm Mowles made a motion that we pay our annual commitment of our Sask Polytechnic bursaries. \$1200 to Auto Body Technician and \$1200 to Automotive Mechanics. Seconded by Ron Just. Carried
