### Old Business:

Our Go-To-Guy for club apparel is Tim Roden, latest items: Toques for sale. Tim gave a brief update; the toques are for sale for \$20.00 each. Still have some License Plate Frames (\$30.00) for sale as well. Tim is also looking into vests.

### Anderson Museum May 10<sup>th</sup>, 2025:

Bus has been booked, Cost per person is \$60.00, this includes the bus ride and \$20.00 admission into museum, proceeds of the admission go to The Ronald McDonald House in Saskatoon

### Swap Meet: Number SEVEN

We are circulating a volunteer sign up sheet for the Swap Meet, for Saturday April 19, 2025  
It looks like we will also need some Volunteers for set up on Friday April 18<sup>th</sup>. This would be for setting up tables for vendors at the front of the hall and to help direct some of the larger trailers in along the outside walls of the hall. This year, Dave will be assigning specific times for vendors to show up. This year we will be sold-out so it is imperative that we have a precise plan for setup of the vendors. We are hoping to get the front of the hall setup and larger trailers on Friday. The remaining vendors will set up early Saturday. The Swap Meet Committee will continue to work out more of the details. IF YOU WOULD LIKE TO HELP OUT ON FRIDAY, PLEASE LET DAVE, NORM, GEORGE OR MYSELF KNOW.

In Dave's absence of the meeting, Norm Mowles was collecting payments from members for Swap Meet stalls, tables and chairs. We are totally booked! If we have a cancellation, it is filled immediately from the wait list.

### Storage Trunk and nails

Lon Neufeld [lon.neufeld@gmail.com](mailto:lon.neufeld@gmail.com)

I am contacting your club to see if there are any interested buyers for a pretty nice 1930 Chevy 4 door Sedan (12AD I believe, 7 windows), two-tone cream and brown,

This car was my partner's Dad's but is now part of her Mom's estate. The car is currently out of province as was last registered for insurance in Manitoba but we're here in Saskatoon - we would love to keep it but we just don't have a place to store it or the time to enjoy it. We are considering trailering it here to facilitate selling it.

It's intact and drives and runs, has been stored in a large shed for the past few years but got new plugs and battery last summer and started up. Interior is clean and has some upholstery redone at some point.

Please feel free to circulate this amongst your membership and if there is any interest, I can be contacted by email at [lon.neufeld@gmail.com](mailto:lon.neufeld@gmail.com)

Questions/Comments/Concerns:

Robert Morrison a long time Draggins member has recently been dealing with health issues and passed away less than a month ago. In the past we have had 2 separate garage tours at his place in Grandora. He was a Ford enthusiast and a nice collection of high-end classics.

<https://thestarphoenix.remembering.ca/obituary/robert-morrison-1092581089>

To honour Rob's memory, a Celebration of Life will be held in his garage on his acreage, at a date to be announced. In lieu of flowers, donations can be made to Camp Easter Seal or to a charity of your choice.

Garry Cherneske question re about what time would volunteers be expected on Friday for setup for the Saturday Swap Meet. Answer was given; we will in contact with Friday volunteers to give more specific times. We do get access to Hall B at 1pm on Friday, we will need certain volunteers at certain times during the setup. More details will be provided as the date draws closer.
