Business Arising out of Meeting Minutes:

None at this time

Old Business:

At previous meetings we circulated a sign-up sheet for members that wanted to purchase SAAC license plate frames @ \$30.00/frame. If you missed getting your name on the sheet and you would like to purchase a frame(s), feel free to see Tim Roden and he will add you to the list.

Garage Tour after tonight's General Meeting to Ron Just's place, 133 Finch Place, Langham. Pizza and Pop will be available. Bring Lawn Chair!

Garage Tours for 2024: Hosting or ideas for garage tour, please talk to Lloyd Morgan to organize.

The 60<sup>th</sup> Anniversary get together event that occurred on June 26<sup>th</sup> at the WDM parking Lot was a success. We lucked out that it was held on Wednesday, pretty much the only day that week that didn't threaten rain. Between our club, the Mustang Club and a few select invited clubs we had over 90 registered vehicles on show. It was an excellent chance for local car clubs to network with each other.

Reminder: Swap Meet booths for April 19 2025, are filling up very quickly. Any members that want to have a booth(s) at the swap meet are advised to let Dave know ASAP. Indications are that this will be a sold-out event again like last year. Members will receive a discount on the booth cost. The new cost is \$30 for a non-member, SAAC members will still enjoy the old price at \$25.00 per 10'x10' booth space

### New Business:

Sad news: Ardyss Johnston (Ken Johnston's wife) passed away on July 12, 2024. The funeral was held at the Mayfair United Church last Sunday July 21<sup>st</sup>. It was only a few months ago that some of us attended Ken's funeral. These two sudden losses are an immense tragedy to both the Johnston and Martinson families. Ardyss was married to Ken for 56 years (apparently, they met on a blind date in 1965) Both Ken and Ardyss were members of our club for 50 years. Both will be dearly missed by the members of our club.

Memorial for Marty Nicolas: August 12, 2pm at the Nutana Legion, we will send an email out to members as a reminder as the date draws near. SAAC Club Members and their classic cars and trucks are welcome. Al W will give a tribute on behalf of SAAC in Marty's memory. Individual car club members are also invited to say a few words if they wish.

Reminder: Saskatchewan Aviation Museum will be hosting a 2-day event August 24 & 25 known as Aviation Weekend. They have sent a formal invitation to our club members to display their cars if they wish. They are hoping to have more than 3000 people attend the 2-day event. Those wishing to show their cars should show up early on Saturday and Sunday mornings. The Air Marshalls will direct where the cars are to be parked. Additional information can be obtained by calling:

Brian Eikel (Executive Director) 306-651-7247

On July 18<sup>th</sup> one of two (still operational) vintage Lancaster Bombers landed at Saskatoon Airport, lots of exciting events happening lately for the Saskatchewan Aviation Museum

Jerry Lupul and his daughter are organizing a Scavenger Hunt to happen earlier in the afternoon on the day that the Corn Roast will take place at Ritchie and Shirley Rasmussen's place. Sept. 7<sup>th</sup>. More details will be communicated to members in the coming weeks. Some of the planning for the Scavenger Hunt might include it starting at the WDM and ending up at the Corn Roast.

Mike Van Grondelle has been working on our website to reorganize a couple of categories on the site. Apparently, the program we are using is older and starting to show its limitations regarding posting pictures and updating member profiles. In the interest of protecting member confidentiality, it was decided to remove the member profile section, as this was one of the things, we no longer could update properly with the current program we are running.

The Affiliated Member Agreement between WDM and SAAC is expiring in September. Lloyd Minion and Al Willms met with Julia Wagner (Operations Manager WDM) on July 3<sup>rd</sup> for an initial discussion. We heard WDM's concerns, and they will be drafting a new agreement in the future. Right now, we have no idea what that will look like and Julia said it may take a while to draft it and run it past their board of directors. In the meantime, she assured us that things will remain as status quo till a new agreement is in place. Just so our membership is aware, WDM has been very generous in providing

our meeting space for free. Because we hold our meetings on Tuesdays after hours, they have to hire a staff member on overtime to set up for us, so this is an out-of-pocket expense for them to accommodate us. It is our hope that the new agreement drafted will work out fair for both sides.

Ray and Gail Graves dropped off a couple of boxes of Auto books and other Literature to be sold at the next Swap Meet. Proceeds to go to our club.
