WDM/SAAC Show Case: Dan Reid's painting and description will be placed in the showcase? Keys to the showcase are kept with Jason Wall, General Manager. We need to contact him along with Aaron Regnier exhibits coordinator. Aaron will help with the display arranging placards etc.

There was no feedback from the members as to their thoughts about the Sask Air Museum venue for upcoming meetings.

Kinsmen TeleMiracle Fundraiser asking for cars to participate in a ride in a vintage vehicle for a donation to TeleMiracle has been tabled due to insurance issues.

The Website email address is now working, thanks to Mike van Grondelle for his persistence in working with the website provider to get a workable solution in place. We will continue to

work on improvements and knock them off one at a time. We have added western Canadian event schedule to the website. Check out <http://www.cruisecalendar.ca/pdf/CCC2022.pdf>.

We have heard back with a more complete response from the WDM, there are areas that still need some clarity such as insurance, fund raising and volunteer support. We have asked for a follow up meeting with members of our executive and the General manager Jason Wall and Joan Kanigan CEO.

## **NEW BUSINESS**

Facebook: Pat Mailloux is going to assist Dave Brock with being the administrator for our Facebook page. We will post a different members car each month.

At the August 2021 meeting there was a motion made to have the dues paid annually in August as we were back at the museum and would pay the dues collected in January 2020. As we know that didn't occur, but it is the last motion of record relating to dues. We will have a discussion in the upcoming months relating to the affiliate membership agreement and dues for 2023 and onward. Al Willms made a motion rescinding the August 2021 motion and reverting back to the dues payment to be made in the current year as stated in the Club Bylaws as such 4.a Membership fees are due to the Treasurer on or before the January General Meeting, and member not paid by the February meeting shall be considered delinquent. Seconded Rob Minion carried.

2024 will be a special year as it will be our club's Diamond Jubilee. Lloyd asked if someone would lead the initiative to host a special celebration and to take suggestions and start planning. Past anniversary's we have hosted car tours, banquets, etc. One example was the Founder's banquet in 1984 for the 20<sup>th</sup> anniversary. Other suggestions: Bus tours to Wetaskiwin, Alberta or Back to the 50's in St. Paul's Minnesota. Planning is needed and a commitment to this project is the first step. The request for someone to step forward was made at this meeting. Anyone interested in taking on this task should contact Lloyd Minion or any one for the Executive.

If anyone has any ideas for a garage tour project or interesting collection, please contact one of the executive so we can plan an event after the August meeting.

Val has informed us that the hoodies we have ordered are now available for pickup at Express It at Bay 510 45<sup>th</sup> street west.

Neil Doel gave a brief report on the International Antique Auto Tour. The number of participants was down this year. They had two tours one of the pioneer museum and the antique mall in Airdrie AB. Fred Remillard will make a report on this event at the next meeting.
