### OLD BUSINESS

WDM request to move meetings to Thursday: After deliberations at the executive meeting and discussion at the June general meeting the concensus is to continue with the 4<sup>th</sup> Tuesday of the month for general meetings, reasons given were:

- General attendance and competing events on Thursday's could result in parking lot congestion, and competition for meeting room space
- 60 years of precedent and promotion of the 4<sup>th</sup> Tuesday meeting nights on our business cards, facebook page and website.

WDM Membership dues are now due. Go direct to the museum to renew. Multiple membership options are available with a discount by showing your membership card.

le: A two year WDM duo (with your partner) senior membership is \$85.

Dan Reid Collection, Rick Reid has offered to donate to our club the remaining prints of Dan's collection to be used by our club for door prizes and for sale with conditions. The sale will not be at a reduced

price to ensure the value of those purchased prior. We need a location to store these which should include cataloguing and tracking the dispersal of them. Cold storage would be adequate. Rick is going to compile a list with estimated values. Please contact Lloyd M if you have space and can help administer the collection. The club will consider storing some of the items at the club library.

SAAC Memberships are due and can be paid for by using Etransfer to 64saac@gmail.com

2022 Financial report review and summary of results. Thanks to Mike Van Grondelle, Rob Minion, and Fred Remillard for their efforts and recommendations.
