June 7, 2024

Dear Al:

This year, the Saskatchewan Aviation Museum (SAM) is celebrating our sixth year in operation. We are thrilled to be able to bring back Aviation Weekend. SAM will host this two-day event on August 24 & 25. We are building on our past success and planning a more robust Aviation Weekend. As in past, we will have a multitude of aircraft participate.

This weekend is our major fundraising event of the year. We are hoping to have more than 3000 people visit the museum that weekend.

We are extending a special invitation to the Saskatoon Antique Auto Club members to join us that weekend. We would welcome your involvement by displaying members' vehicles on the tarmac. Your participation will only add to the excitement and success of the weekend. The more vehicles displayed, the better. Please have your members park their cars as directed by the Air Marshalls early Saturday and Sunday mornings.

We look forward to your participation in this fun weekend.

If you have any questions, please contact me at beikel@saskaviation.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Eikel".

NASHI'S AUTO LOTTO

A friend and supporter of NASHI donated his 2005 Thunderbird that only has 8900 km and in pristine condition.

NASHI is a 20 year old registered charity that has been addressing the issue of human trafficking locally and globally. We have built a safehouse for girls in Ukraine who would have been at risk of being trafficked. We have had to move them to Poland while the war in Ukraine continues. They are safe and attending school but are anxious to return to their safehouse in Ukraine. Some of these girls came to us at 5 years of age.

We are forwarding some posters and a phone number where tickets can be purchased:

- Ph: 306-653-4646
- E-transfer: lotto@nashi.ca (include name and address)
- Rod's HotRod Customs at 2623A Faithful Ave. in Saskatoon.

You may have some customers who would be interested in this Lotto and supporting our girls.

For more information you can contact Savelia- 306-653-4646 or savelia@sasktel.net

Garage Tours

Lloyd Morgan is working on making arrangements for tours of the WDM Curatorial Centre.

WDM Tour updates. Christine from the curatorial centre said to check back with her in January about a tour. They are currently updating the big rooms to meet fire standards so currently no visitors allowed. The tours will possibly start in January 2025 while WDM is conforming to Fire Marshall policies.

Garage Tours for 2024: Hosting or ideas for garage tour, please talk to Lloyd Morgan to organize.

Lloyd will be in contact with Alloy Collision for possible future garage tour

Lloyd is also working with Vaughn Wyant about a tour of Vons cars in the show room at alloy collision. This would have to take place during their office hours. Possibly a Saturday morning. He will check on having someone to give us a little history on the cars.

Al Willms summary of the Derby Car Relocation to Saskatoon

A few weeks prior to the Derby Car arriving in Saskatoon, Lloyd Minion, Ron Just, and Al Willms met with Diana Savage (Director of Exhibits WDM) to pitch the idea of having the Derby Car brought back to Saskatoon as its rightful location. Diana and other executives at the WDM were very receptive of the idea and agreed it is time the Derby came home to Saskatoon as that was the city where the Derby factory was located in the 1920's.

The problem is, WDM was in need of some assistance to transport the car here, they no longer had their own carrier equipment for a long distance move. Diana reached out to our team, and we were very ready to help and to suggest a safe manner in which to transport this magnificent artifact. As a condition, Lloyd, Ron and Al registered as volunteers for the WDM, which provided us that WDM would insure us against any possible bodily injury under their policy. A 23' enclosed trailer was rented from Flaman and we arranged a date with WDM to move the car (June 13th, 2024). We arrived mid morning at WDM in Moose Jaw, the Derby was waiting at the rear loading area of the building. With the assistance of a couple of the Moose Jaw WDM staff we used an electric winch to pull the Derby into the trailer with Lloyd Minion at the wheel. The car was secured with wheel chocks and straps inside the trailer. After a quick lunch, the Derby Move Team was on their way to Saskatoon.

During the trip to Saskatoon Diana texted and said we will need to temporarily unload the car at the Curatorial Centre due to too much mud behind the Museum. The car was unloaded late afternoon and the trailer returned to Flaman. A few days later the yard dried up enough and the Derby was moved by a local towing company with a deck truck across and up the street to the Museum. So for a brief few minutes the Derby was able see the light of day!

Special thanks to Diana Savage and WDM staff that assisted us to make this all possible, this was an excellent example of how SAAC and WDM were able to work collaboratively to take on this task. Everything was well communicated and went very smoothly for both parties.

Just so our members are aware, the whole move cost SAAC zero dollars. WDM picked up that tab for the trailer rental, mileage, additional vehicle insurance and any other incidentals associated with the move. All that we supplied, was a bit of time from three club members.

Norm Mowles update on Swap Meet for April 19, 2025

Vendor prices have increased to (\$30 Basic Stall). SAAC club members will receive discount (\$25 Basic Stall) Members are urged to get stalls booked early as many vendors have already booked for 2025. Swap Meet Forms are available at front table. Norm reinforced the idea that members need to book booths sooner than later. A discount will be available for SAAC members for booths. (Members will receive the old price for booths \$25.00/booth. \$5.00 discount from the new price)

Norm Mowles update on Car showings at Senior events.

Norm mentioned a very poor showing of cars at recent senior residence (Palisades?) Only 3 cars showed up. Many other car events were scheduled on Saturday June 22. Norm suggested to the residence that maybe a car show scheduled during the week may work better.

Upcoming Events:

- June 26 SAAC/Mustang Club 60th Anniversary get together, WDM parking lot (Saskatoon, SK)
- June 28 Friday Nights Classic Show n Shine, Market Mall (Saskatoon, SK) (regular event)
- July 1 Osler Canada Day Car Show, text Gena 306-370-4494 to pre-register (Osler, SK)
- July 1 Dundurn cars will be paraded around town.
