OLD BUSINESS

The WDM Affiliate Member policy or strategy meeting was held on Thursday April 21. Marty Nicholas, John Boehmer, Al Willms and Lloyd Minion met with Jason Wall to work through the Affiliate Membership request. At the meeting our position was presented, and they presented their position. We forwarded a cheque to the WDM for the 2022 membership dues for the previously agreed upon amount for \$50 per member. A letter was attached to this cheque stating our position on the Affiliated membership and that we need this resolved by September 15, 2022.

The proposal to the membership for 2023 and forward be a two-tiered system where a member can opt out of becoming a member of the museum to reduce membership fees to SAAC. This has to be ratified by the members at the annual general meeting. A motion is needed for our November meeting.

A proposal was made that we switch our meetings to the Saskatchewan Air Museum. The venue is a lot more cost efficient, and they seem to very fitting to our needs. We will arrange a tour to the museum so our members can view the new proposed meeting site so a decision can be made at a later date.

NEW BUSINESS

Garage tours season is upon us. Let Norm know if you have any suggestions or are willing to host a tour of a project or interesting collection that the club would be interested in seeing.

2024 is the club's diamond jubilee. We are thinking about having a special celebration and we are looking for suggestions.
