Hi Crystal:

Thanks for the email. I can certainly send out the request to our members, but I must forewarn you that at this time of the year I believe it will be nearly impossible to get an antique car out. Members have put their cars away for the winter, and if there is any snow on the ground nobody will take their cars out. Even if we are still snowless on the 24<sup>th</sup> chances will be slim, but I will try. I will ask them to contact you directly if there is somebody that can help out.

**Subject:** Bessborough Event - November 24, 2024

Greetings,

I am planning a 1930's inspired event at the Delta Bessborough Hotel on Sunday, November 24th.

I am looking for a vintage vehicle from around the 30's to have on display at the loading zone at the hotels entrance. This will be for a display only and people will not be invited to sit in the vehicle. It is more of a display piece as they enter the Hotel.

Is there a member from your Club that may be interested in this? It would be from 6:30pm to 7:30 pm.

Many thanks,

Crystal Anderson MacLeod

Thank-you Card from the Dragon Boat Team in regard to the club's donation in memory of Joanne Dwernychuk.

## Business Arising out of Meeting Minutes:

### Old Business:

#### SAAC Merchandise:

At previous meetings we circulated a sign-up sheet for members that wanted to purchase SAAC license plate frames @ \$30.00/frame. If you missed getting your name on the sheet and you would like to purchase a frame(s), feel free to see Tim Roden and he will add you to the list. Tim now has frames. He also has one cap for \$25.00. Tim mentioned there is a variety of items available thru Express-It, which he can assist with or you can drop by Express-it directly if you wish.

#### Garage Tours for 2024:

Special Thanks to Lloyd Morgan and Pam and Norm (our social committee) for organizing garage tours this past year. Bud Small and Dwayne Markewich have helped out at a couple of the tours. Also, to Jerry Lupul for organizing the after the meeting Ice Cream stop over with Daily Scoop. As we know we are fading out of garage tour season and progressing towards winter. Gives us some time to think about Garage Tour prospects for 2025. Lloyd Morgan is the contact person if you have suggestions or if you would like to perhaps host a garage tour.

#### Anderson Museum May 10<sup>th</sup>, 2025:

Bus has been booked, Cost per person is \$60.00, this includes the bus ride and \$20.00 admission into museum, proceeds of the admission go to The Ronald McDonald House in Saskatoon  
Pre-payment is required, we would like to have everyone interested in going signed-up and paid by March 31, 2025. The bus holds 53 people. If the club is unable to fill the bus, Lloyd Morgan or Lloyd Minion will be contacting other car clubs. A Sign-up sheet will circulate in the new year.

#### AGM Meeting:

Reminder AGM Tickets are on sale now, please see Dave Brock for tickets. Tickets are \$30.00 each  
AGM will be at Smiley's January 25, 2025 at 6pm. Tickets can be also paid for by E-Transfer [64saac@gmail.com](mailto:64saac@gmail.com), just make sure when sending funds to Dave make sure you indicate it is for AGM tickets. AGM tickets will be available for sale at the Christmas Party as well.

### Christmas Party:

A Sign-Up sheet is being circulated at the meeting for our Christmas Party at the Nutana Legion Thursday December 19<sup>th</sup> at 6pm. Pizza will be supplied free of charge compliments of our Swap Meet Committee. Beverages will be available from the Legion for those wishing to purchase. The sign-up sheet is necessary, so we know how many pizzas to order. Lloyd Morgan circulated a sign-up sheet at this meeting. These names will be combined with the Oct 22, member sign-ups.

### Swap Meet:

We have only 2 stalls left.

We are circulating a volunteer sign up sheet for the Swap Meet, for Saturday April 19, 2025

It looks like we will also need some Volunteers for set up on Friday April 18<sup>th</sup>. This would be for setting up tables for vendors at the front of the hall and to help direct some of the larger trailers in along the outside walls of the hall. This year, Dave will be assigning specific times for vendors to show up. This year we will be sold out so it is imperative that we have a precise plan for setup of the vendors. We are hoping to get the front of the hall setup and larger trailers on Friday. The remaining vendors will set up early Saturday. The Swap Meet Committee will be meeting soon to work out more of the details. IF YOU WOULD LIKE TO HELP OUT ON FRIDAY, PLEASE LET DAVE BROCK (306 717-9952), NORM MOWLES (306 492-7559), GEORGE DWERNYCHUK (306) 914-0388 or AL WILLMS (306-221-8390)

### New Business:

This will be our last formal meeting of the membership till the AGM in January. We will have the Christmas Party on December 19<sup>th</sup> which is more of a social event. However, anyone that is interested in letting their name stand for a position on the executive is encouraged to let us know if you have any questions about the positions and/or what type of work is involved. Feel free to contact any member of our current executive if you have questions, contact information is on the last page of the minutes.

On the note of the upcoming AGM...we will be looking for members on the executive. We are looking for (2) new Two-Year Directors, as well Dave is coming up to the end of his term as Treasurer, we will be looking for someone interested in this position. All other positions such as President, Vice President, Secretary can be challenged by anyone as a nominee. In such an event a vote will conducted at the AGM.

Verne Morelli has volunteered to assist John Moffat with the coffee and donut detail for our meetings. Thank you, Verne.

At the AGM we will be awarding Restoration Plaques and Acquisition Certificates, please let Lloyd Minion (306 221-4249) or Al Willms (306-221-8390) know if you have restored a vehicle recently or acquired a classic vehicle in the past year. The one stipulation is that the vehicle should have appeared at a minimum of one club event, this even includes driving it to one of our club meetings.

Lloyd Minion, is looking for more pictures of any 2024 club events for a "Year in Review" presentation

Please forward any pictures to his email address: [minil@sasktel.net](mailto:minil@sasktel.net)

Completely original, shows very well, runs amazingly well. Some restoration required but very solid bones. Al W has personally viewed this car and can supply additional photos of undercarriage and body.

Car was originally donated by Merlin Motors for a raffle in 1962. It is an amazing survivor car. Asking \$7500.00

is at Kensington Gentle Care Home, 202 Stromberg Court. Barry still has his cell phone  
(306) 381-9396

Barry bought the 66 Charger from an auto body man in Baldur MB in 2008. The car originally came from California and was originally equipped with a 318. The engine and trans was not in the car when Barry bought it, so it was essentially a roller chassis. The original exterior color was Yellow with a black pinstripe, the body was in very good condition and Barry had the car painted a solid blue, which he thought suited the car better. A donor 318 had been installed and years later was replaced with a 360 which is presently in the car. The Charger originally had factory Air Conditioning, but it doesn't sound like it is still functional, and may have been removed when donor engines were installed. Barry's son who is a HD Mechanic has done much of the mechanical work over the years. Barry says personally he has spent a considerable amount of money on the car since he bought it 2008. Holly mentioned to me that there is a box of spare Charger parts at the house. She will include this with the sale of the car.
