Minutes of November 22, 2022 Meeting

The meeting was called to order by President Lloyd Minion with 45 SAAC members in attendance

GUESTS

Valery Gwin from CAA was in attendance. She gave a presentation to the club as to what all CAA has to offer.

Travel insurance depends on the policy selected as to what is all covered. Their policies cover roadside assistance towing etc. Travel insurance is now available for RV's and trailers. A CAA membership gives discounts at several businesses including certain hotels, restaurants, gas stations, parts stores etc.

Travel medical insurance is available for up to a six month policy. No need to be a CAA member to purchase medical insurance.

Home and auto insurance is available through CAA. This includes insurance policies on antique automobiles.

They also do trip planning and provide free travel information.

MINUTES

A very significant omission from the minutes is the presentation that Owen Michell gave at the October meeting. The minutes will be amended to reflect the excellent presentation Owen gave telling of the family car previously owned by his father-in-law with pictures of Gail as a young girl with the Plymouth in the background. With that amendment I would like a motion for acceptance of the minutes as distributed by Mike van Grondelle seconded by Norm Mowles.

TREASURERS REPORT

Dave Brock cited the balances of SAAC chequing term deposits and swap meet accounts.

OLD BUSINESS

The roster is being circulated. Please update all of your information including your phone number.

A very exciting opportunity came to the club from Tammy Pshebylo (Tammy and Randy are club members) Tammy is in sales and promotion the TCU Place. We sold 31 tickets to attend Randy Bachman Concert at a great price and it includes a fundraising component for the club. For every ticket we purchased we received \$20. It was a very enjoyable and memorable night. It was a walk down memory lane. Randy is an excellent storyteller, telling the stories behind the songs and times of the 60's and 70's about Winnipeg and touring Canada, the US and UK. He entertained for an hour and a half playing most of the hits from the Guess Who and BTO.

Today Grant Jones, John Moffatt, Al Willms, Rob Minion and Lloyd Minion met and cleaned out the library. The items on display at the back of the room are what we believe to be surplus and are free for the taking.

On November 4th Al Willms and Lloyd Minion met with Joan Kanigan and signed our affiliate membership agreement with the WDM. A copy of the agreement is available upon request.

NEW BUSINESS

It isn't too early to let anyone on the executive know if you are interested, ready and available to sit on next year's executive. All positions are available for nominations with the exception of the 2-year directors. We know we will need a Secretary as Irene has indicated that she has served her time.

Notice of motion with the new affiliate Membership agreement our annual dues structure will change eliminating the collection of WDM dues, as such our annual dues will be reduced to \$40 per member. As stated in our bylaws the dues can be changed annually at the AGM therefore this is a notice of motion for a vote to be held at the AGM.

We are hoping to have Joan Kanigan at the February meeting to collect memberships for the WDM for whoever is interested in joining.
