A special thank you goes out to Jack for organizing and obtaining items for the goodie bags. It would be appreciated if any club members attending the Cars and Guitars venue would stay and help with the clean up. At the club banquet a volunteer is needed to take tickets at the door. It would be appreciated if the local people attending the meet would keep to the exact routes for the tours and help the other people not familiar with the area. A very good job was done on the booklets for the international meet.**
