#### Swap Meet:

We are circulating a volunteer sign up sheet for the Swap Meet, for Saturday April 19, 2025. We will also be looking for people to work at the Dan Reid's table to sell his prints that were donated to the Club.

It looks like we will also need some Volunteers for set up on Friday April 18<sup>th</sup>. This would be for setting up tables for vendors at the front of the hall and to help direct some of the larger trailers in along the outside walls of the hall. This year, Dave B. will be assigning specific times for vendors to show up. This year we will be sold out so it is imperative that we have a precise plan for setup of the vendors. We are hoping to get the front of the hall setup and larger trailers on Friday. The remaining vendors will set up early Saturday. The Swap Meet Committee will continue to work out more of the details.

There was an email sent out to the members on Mar. 18, regarding SAAC members not in engaged in volunteer duties, but still would like to attend. Email contained detailed information regarding which entrances SAAC members are to use.

I am contacting your club to see if there are any interested buyers for a pretty nice 1930 Chevy 4 door Sedan (12AD I believe, 7 windows), two-tone cream and brown,

This car was my partner's Dad's but is now part of her Mom's estate. The car is currently out of province as was last registered for insurance in Manitoba but we're here in Saskatoon - we would love to keep it but we just don't have a place to store it or the time to enjoy it. We are considering trailering it here to facilitate selling it.

It's intact and drives and runs, has been stored in a large shed for the past few years but got new plugs and battery last summer and started up. Interior is clean and has some upholstery redone at some point. Please feel free to circulate this amongst your membership and if there is any interest, I can be contacted by email at [lon.neufeld@gmail.com](mailto:lon.neufeld@gmail.com)
