e. Fred Remillard update on Ray Fribance. (1)

RAY FRIBANCE

I wanted to let the Club members know that Ray has moved to the Luther Towers Special Care home and therefore will no longer attend our meeting.
The address is 1212 Osler, which is a tall building at the corner of Osler and Wiggins. Ray is lodged in building A which is a one-story brick building further down Osler.
Ray has activities at: 10:30 AM, 2:00 PM and 6:00 PM therefore it would be best to avoid those times.
I would suggest when visiting Ray to bring pictures of cars, people whatever to facilitate the visit and make him feel more relaxed.

Ray was in the habit of taking many daily walks with his little dog named Young and tried to continue his outside walks, therefore he is in a secured unit/
For many of you who don't know Ra, he is a long-time member since 1982 or 44 years!
He was a very active member of the Club. Ray was a treasurer for as long as I can remember. He participated in every planning committee the club sponsored: provincial, national and international tours. He was always on all our anniversary celebrations committees, 30th, 40th, 50th and likely our 60th if we had a committee.
Unfortunately, he has been stricken with Alzheimer starting shortly after COVID. I remember how incredible his memory was. He knew every member's name in the club. We would attend all these out of town swap meets and when it came time to split the bills, he would figure out and in his mind in less than 10 seconds. Upset if we took our calculators.
